MRT awarded RM397 mil Sungai Buloh-Kajang contract

Posted: 8:49 pm, March 14, 2012 by admin

KUALA LUMPUR, Mar 14: Mass Rapid Transit Corporation Sdn Bhd was awarded eight more contracts for the Klang Valley MRT Sungai Buloh-Kajang alignment project with a total value of RM397 million.

The award is a clear indication that progress on the construction of the MRT Line is moving into a new gear, with the last contract to be awarded in 2014, its Chief Executive Officer Datuk Ashar Abdul Hamid said.

"There are 21 work packages left to be awarded for the construction of the Sungai Buloh-Kajang MRT Line," he said in a statement.

"We will always ensure that the tendering process is conducted meticulously so that the best can be derived to build this massive project," Ashar said.

MRT Corp, which aims to be a leader in the industry, is always looking at improving construction processes and requirements, he said.

"We would like this project to become an industry benchmark, where its timely delivery is a key point, as it is for the public's benefit," he said.

MRT Corp said two contracts were awarded yesterday including for the design, supply, installation, testing and commissioning of rescue barriers and enclosures worth RM200 million to Mubilah-SV-Kajang JV.

A RM456.7 million contract was awarded to SAPP-Insitu JV for the construction and completion of the multi-story car park building, external works and other associated works at Kajang Station.

Meanwhile, on March 6, a RM22 million contract was awarded to Pancoff Corporation Sdn Bhd for the supply, procurement, installation, testing and commissioning of the environmental control system for elevated packages V3 to V8 and the Kajang Depot.

Kepintaran Jatin Sdn Bhd was awarded a RM442 million job for the supply, procurement, installation, testing and commissioning of the environmental control system for elevated packages V1 to V4 and the Sungai Buloh Depot.

A RM6.7 million contract was also awarded to **Info-Matic Power Sdn Bhd** for the supply, delivery and supervision of installation, testing and commissioning of uninterruptible power supply for all elevated stations.

A RM42.5 million contract for the supply, installation, testing and commissioning of the lift system for all elevated packages, Sungai Buloh Depot and multi-story car parks was awarded to Our Elevator Company (M) Sdn Bhd.

The statement noted that Zalfin (M) Sdn Bhd was awarded a RM18.8 million contract for the supply, procurement, installation, testing and commissioning of the fire detection and protection system for elevated packages V3 to V8.

The last contract, worth RM10.1 million, was awarded to PTIS Engineering Sdn Bhd for the supply, delivery and supervision of the installation, testing and commissioning of the step-down distribution transformer for all elevated packages, Sungai Buloh Depot and Kajang Depot.
